

Display Days

We will help you celebrate the following:

Victoria Day
(Monday before May 25)

Canada Day
(July 1)

Labour Day
(First Monday in September)

On these holidays, for your enjoyment, we will place the flag prior to the long weekend and will retrieve it after a few days, even if you are away for the actual weekend.

Cost for flag placement on all three of these holidays is \$50 per year. You may also choose to place a flag as a gift to a family member or friend at the same additional cost.
